Dear Family:

Thank you for your interest hosting International Students for St Peter's College.

St Peter's College, in Central Auckland, has provided quality education to International Students since 1995 with a dedicated International Department.

Hosting an International Student is a very rewarding, and sometimes challenging, experience both for the student and homestay families. We find that our Host families and students develop very close relationships and maintain this contact when the student returns to their home country.

Please fill in the attached application forms. Each adult over the age of 18 living with you needs to complete the Police Vetting form, each one must be accompanied by either a current New Zealand Drivers Licence or a Current Passport, sign and return them by email along with the application forms.

I will then be in contact to arrange a visit. Please do not hesitate to contact myself on 027 278 9887 if you have any queries, or email us for any additional information at homestays@st-peters.school.nz.

Please email a photo of your family and your home to complete your Homestay Host profile.

I look forward to matching you with the very best student for your family.

Kindest Regards,

Julie Milham
